# Program Descriptions\*

## YOUTH & FAMILIES

### **Morning & Afternoon Storytime**

Join us each week for stories and a sensory activity for toddlers & preschoolers to enjoy. Storytime is held in the Children's library.

### **Makerspace Engineering**

Kids can put their engineering skills to the test. There will be time for free build, followed by weekly challenges. We'll be using LEGOs, Keva planks, K'nex, and marble runs.

### **Make a Mess**

Let your imagination run wild with hands-on creative projects & experiments! The goal is to try new things with no fear of the mess you might make in the process. This month we'll be making a mess while ice painting!

## TEENS

### **Teen Game On!**

Join your friends as we battle in Super Smash Bros, race in Mario Kart 8, and more!

### **Teen Dungeons & Dragons**

Guide your character through fantastic adventures. **Registration required.** Register online at [BoylePubLib.org/teendnd](http://BoylePubLib.org/teendnd) or at the Circulation Desk.

### **Teen Interactive Movie Night**

AS YOU WISH! Watch the movie *The Princess Bride* at this interactive experience. There will be shouting, playing, sword fighting, and even blowing bubbles!

## SPECIAL EVENTS

### **Growing Gardeners**

Kids & families are invited to learn more about the environment through hands-on activities with Growing Gardeners! In February, let's get growing indoors by creating some plant babies to take home and nurture! This program will focus on roots & propagation. Participants will take home something that should start growing in about 10 days. Hosted by members of The Garden Club of Danville and Resilient Boyle in partnership with the Library.

## FREE TAX PREP

### **Free Tax Prep • February 4 - April 18**

Free tax prep with AARP & United Way VITA is available on Tuesdays & Saturdays at BCPL. Details on our website.

## ADULTS

### **Adult Dungeons & Dragons**

Come play D&D, the greatest role-playing game ever made! **Registration required.** Register online and at the Circulation Desk.

### **Focus on Fitness: Heart Healthy Nutrition**

This program series aims to help you improve your health with steps you can take at home without specialized equipment or supervision. This month, local dietitian Janet Fluty will teach about heart healthy diets.

### **Pop-up Pot Luck: Community Recipe Exchange**

Share your favorite recipes and learn some new ones in the best way possible -- by eating them! This month's theme is **Cooking with Chocolate**. The Boyle County Extension office will get things started with some dishes of their own, but we encourage all participants to try their hand. Bring your favorite dish to this monthly potluck, then add it to our recipe database. This is a social event with food to share, friends to be made, and fun to be had! Samples are limited.

### **Boyle County Writers**

Join us for an evening to gather with fellow writers. Practice your skills, share your work, and receive feedback from peers. Facilitated by local author Paul Stansbury.

### **3rd Thursday AM Book Club**

Join us for a book club discussion on the third Thursday morning of every month! This month we'll discuss *The Wonder Boy of Whistle Stop* by Fannie Flagg. **Books available at the Circulation Desk while supplies last.**

### **Crafting for Keeps**

Enjoy learning how to make a fun craft. This month is the return of our popular **Bath Lab**. Make bath bombs, sugar scrubs, and tub-teas!

## ALL AGES

### **Family Movie Night**

Celebrate Valentine's Day together as we watch *Vivo*, a movie about the power of a love song. This musical will have you singing along with the original songs!

### **Chess Mix**

Join us in the Reading Room for an afternoon of chess and a savory snack! All ages and skill levels are welcome!

### **Family Game Night**

Family Game Night returns to the library! A social event for all-ages where you, your family, and your peers can come and enjoy a fun night of pizza, competition, and cooperation. We'll provide the pizza and our full board game collection. Staff are available to help you learn our games.
